

# ENVIRONMENTAL EXPLORATION

A WEEK LONG NATURE CAMP  
3RD -5TH GRADE

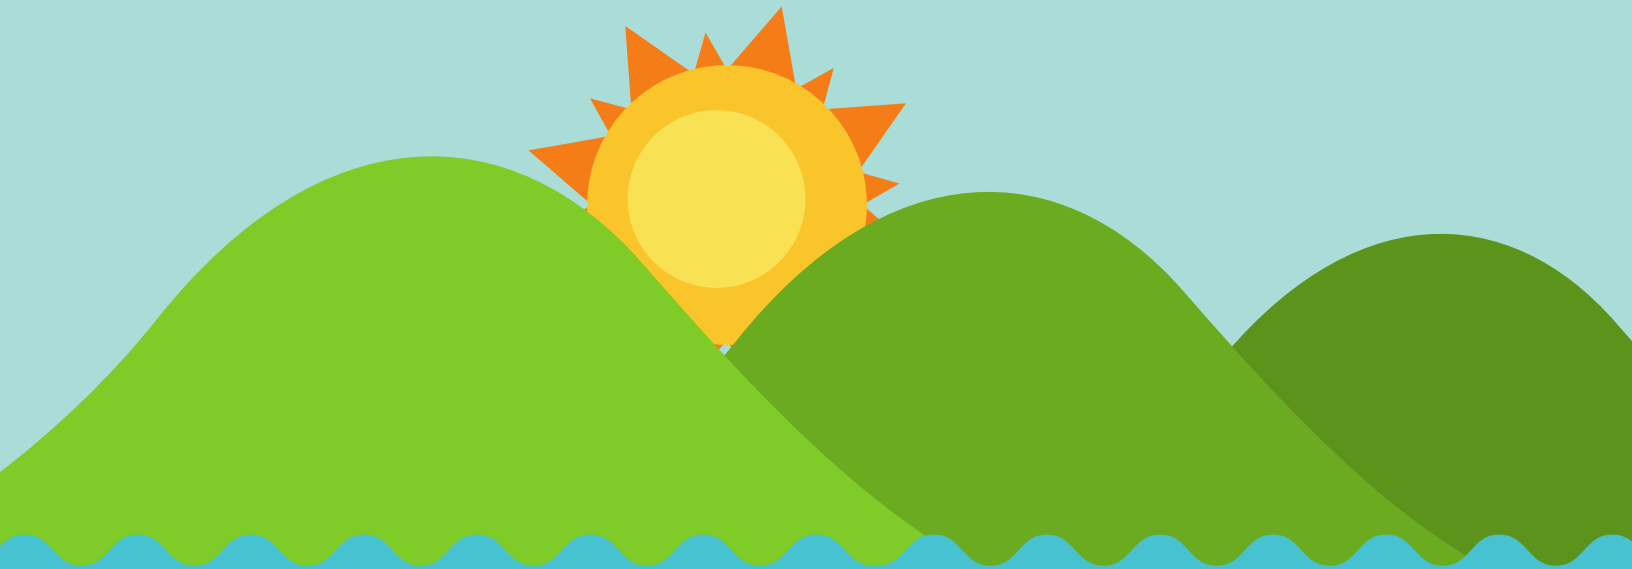

Tackle environmental challenges and create a sustainable future as you learn how water interacts our ecosystem. We will get messy, go outside, and discover the wonders of nature.

Register TODAY at McAllen City Hall - MPU Administration or download an application at [mcallenpublicutility.com](http://mcallenpublicutility.com).

For more information contact our Water Education & Communications Coordinator at [jsalinas@mcallen.net](mailto:jsalinas@mcallen.net)

JULY 23-27
